

WELCOME TO MAGSBC'S FIRST SHARED LIST OF BC MAGAZINES!

There were many who worked on the hundreds of records this list was generated from, including Doris Fiedrich, Robyn Dubinsky, Wendy Habib, and Sylvia Skene.

Of course, it is inevitable that some information may not be current, error-free or accurate. Are we missing a magazine, whether online or in print? Or listing one that has folded? Have we got something wrong, wrong, wrong? Or we just need to tweak something?

Send Sylvia Skene, Executive Director, MagsBC an email at exec@magsbc.com and she'll make sure we update our records for the next iteration of this list.

We hope you find it useful and illuminating. Enjoy!

Diver Magazine

North Vancouver

Diver's main focus is on all things 'sport diving', but it often examines related man-in-the-sea activities in commercial, military, academic, archaeological, police/search and rescue, fisheries, and other spheres of aquatic enterprise. Coverage is focused on training, equipment, dive sites, personal experiences, dive travel options and the best destinations. Underwater photography, diving medicine and the ocean environment are staples presented in the form of regular columns. Book reviews, dive history, marine life, and other topics also enjoy regular profile in the magazine's pages.
